Safety Is Part Of Everything We Do

A safe work environment **goes beyond the physical** and includes **mental** and **emotional** wellbeing

Diversity, Inclusion and Safety

Recognizing and appreciating diversity:

- At our company and trade partner and sub-contractor companies
- At our client's companies
- On our job sites
- In our communities
- In our families

What does diversity have to do with safety?

When people feel included, they:

- **Speak up** when they see something wrong
- Are able to be **collaborative**
- **Look out for others**
