 - Use e-files to print any quantity
 - Access via *Member Hub* on website
 - 6 posters available now in both languages

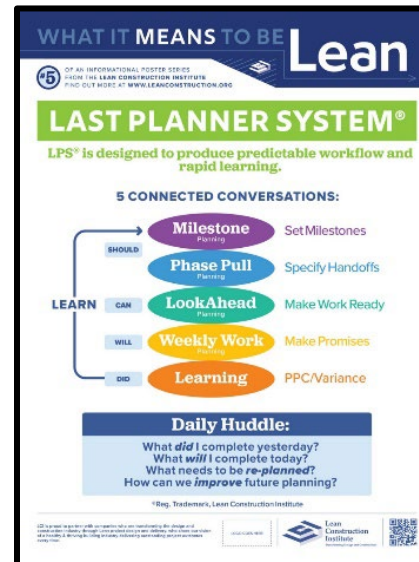

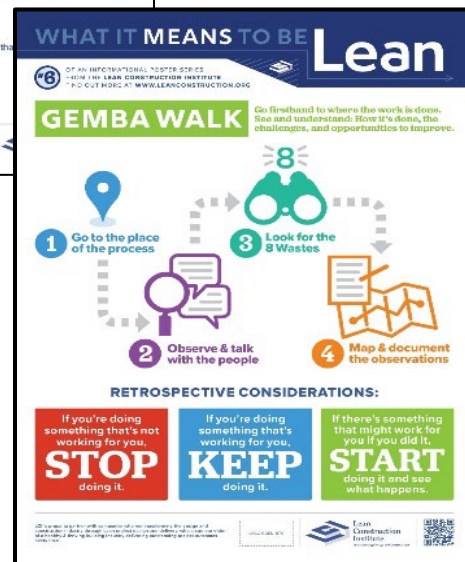

“What it Means to be Lean” - Bi-Lingual Jobsite Poster Topics

Topics:

- 6 Tenets
- 5S
- Rules of Engagement
- 8 Wastes
- Last Planner System®
- Gemba Walk

***Special thanks to:
Cesar Valdez, LCI Mexico
and
Stephany Ortiz, Alberici
for their support***

LCI 2024 Research Program

- Two kinds of research: **national surveys** and case study/**academic research** (university-led)
- This year we worked with **Dodge Construction** to survey **extent of Lean** use across the industry
 - Our board member **Bevan Mace** will **summarize the results** for us tomorrow AM
- **University-led research this year includes:**
 1. Mapping LCI-developed content to university curriculum requirements  **Available now on the LCI website**
 - Creating a basis for us to support Lean instruction in the schools
 2. Impact of Management Practices on Construction Workers' Mental Health
 - National survey open now for input by project teams – ***please respond and support this!***
 3. Role of Lean in Digital Project Delivery
 4. Early Trade Partner Involvement across Project Delivery Methods
 - *Handbook for Trades: Resources for Continuous Improvement*, Thursday, 10:45am
