2024 Congress Conditions of Satisfaction—First Timer

I WILL BE SATISFIED AFTER ATTENDING MY FIRST CONGRESS IF:

- ▶ I leave feeling inspired after attending my first Congress with actions to implement Lean practices tomorrow.
- ▶ I have an opportunity to network/meet with seasoned Lean practitioners for future coaching and support.
- ▶ I am able to effectively communicate and share the value of Lean with colleagues and company leadership.
- ▶ From attending Congress, I have eliminated any misconceptions about Lean and clearly understand what Lean Design and Construction is and is not.
- ▶ I want to return and contribute to Congress again and encourage my colleagues to join me.
- ▶ I was onboarded well – I felt welcome and had clear orientation of the program, helping me navigate Congress.

Generate Value

2024 Congress Conditions of Satisfaction- Repeat Attendee

AS A REPEAT ATTENDEES I WILL BE SATISFIED AFTER THIS CONGRESS IF:

- ▶ Sessions are clearly labeled for fundamental, intermediate and advanced Lean Construction implementations.
- ▶ Sessions allow time for interaction with speakers through Q&A.
- ▶ I have learned something new and applicable to my work.
- ▶ I make new Lean friends and continue to reconnect with other Lean kindred spirits.
- ▶ There were opportunities for me to share my own ideas/progress and give back to the community. (Open Exploration Track).
- ▶ I am motivated to use the app; my feedback is valued.
- ▶ I am motivated to engage with my local Lean community and/or LCI CoP on a regular basis.
